## When Should You Take the LSAT?

### Fall 2026 Admission

Take by January or April 2026 — scores in hand before rolling admissions tighten.

### Fall 2027 Admission

Target August–October 2026. Leaves room for a retake in Nov 2026 or Jan 2027.

### Fall 2028 Admission

Aim for the 2026–27 fall window. Build 4–6 months of focused prep first.

### Retake Strategy

Always book your first attempt 2 administrations before your hard deadline.

## LSAT Preparation Checklist

1

### Start 4–6 months early

Target 150–200 hours of focused study for meaningful score gains.

2

### Use official practice tests

LSAC's LawHub offers free official practice tests — use them to benchmark.

3

### Work on Argumentative Writing

Practice structured arguments regularly; the writing section opens early.

4

### Book your Prometric slot early

From August 2026, in-center seats fill fast — secure yours ASAP.

5

### Track all deadlines

Note your test date, registration cut-off, and score release in your calendar.
